COMMUNITY ENGAGEMENT SESSIONS

Following on from the *Tasmanian Youth Mental Health Forum: Exploring Integration and Innovation (2019)*, MHCT is interested in engaging with local Tasmanian communities to foster a common understanding of and create a shared vision for youth mental health system integration in Tasmania.

The sessions will include:

- an overview of the emerging trends in youth mental health across the state
- a summary of the Tasmanian Youth Mental Health Forum
- an exploration of youth mental health system integration
- work-shopping activities to allow for feedback and discussion
