UPSKILL IN MENTAL HEALTH

Obtain your Certificate IV in Mental Health (CHC43315).

Starting May in Launceston. Limited spots available. Expressions of interest close 26 April 2024.

ABOUT THE QUALIFICATION

This Certificate IV in Mental Health (CHC43315) qualification reflects the role of workers who provide self-directed recovery oriented support for people affected by mental illness and psychiatric disability.

Work involves implementing community based programs and activities focusing on mental health, mental illness and psychiatric disability.

Work is undertaken in a range of community contexts such as community based non-government organisations; home based outreach; centre-based programs; respite care; residential services, rehabilitation programs; clinical settings; or supporting people in employment.

Work is carried out autonomously under the broad guidance of other practitioners and professionals.

To achieve this qualification, the candidate must have completed at least 80 hours of work as detailed in the Assessment Requirements of units of competency.

ELIGIBILITY CRITERIA

Learners are eligible if they are Australian Citizens or Permanent Residents or are holders of select visas, and are:

- Out of work
- Underemployed, which is defined as employed people who would prefer, and are available for, more hours of work than they currently have, including part-time workers
- Looking to upskill or gain new skills outside of their current employment. For the purposes of the Jobseeker Fund this means training that does not relate to the individual's current employment and is not supported by their current employer.

The Jobseeker Fund is a jointly funded initiative of the Australian and Tasmanian governments.

AT A GLANCE

- Upskill fee-free
- Gain your nationally recognised Certificate IV in Mental Health CHC43315
- 3 learning sessions per month
- Requires 80 hours of work placement
- Complete in 12 months
